IN RECOGNITION OF LINDSAY

HON. JOHN JOYCE

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2021

Mr. JOYCE of Pennsylvania. Madam Speaker, I rise to congratulate Lindsay Bumbarger on receiving the Blair County Chamber of Commerce's Judith A. Rossi Educator of the Year Award, which recognizes educators who have influenced educational systems in a manner that benefits Blair County's economy.

As a 2nd grade teacher at Baker Elementary School in Altoona, Pennsylvania, Lindsay has overcome great educational challenges during the COVID-19 pandemic. In her career, Lindsay has taught students at several grade levels and has been recognized as a dedicated and innovative teacher. In her spare time, Lindsay also volunteers as an ESL teacher for Blair County families that do not speak English.

On behalf of Pennsylvania's 13th Congressional District, I congratulate Lindsay on this accomplishment and thank her for her service to the Blair County community.

RECOGNIZING JAMIE JACKSON
FOR HER SERVICE TO THE
UNITED STATES CONGRESS AND
APPOINTMENT TO THE WHITE
HOUSE COUNSEL'S OFFICE

HON. ADAM SMITH

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2021

Mr. SMITH of Washington. Madam Speaker, I rise today to recognize and thank Ms. Jamie Jackson for her service to the United States Congress and congratulate her on her appointment to serve as a Senior Deputy Associate Counsel at the White House.

A two-time graduate of the University of Virginia and with a law degree from the University of Maryland School of Law, Jamie's career has spanned a decade of public service. After working in various positions in the Legislative and Executive Branches of government, Jamie joined the House Armed Services Committee's professional staff in 2018, where she served as the minority staff lead for the Subcommittee on Oversight and Investigation. She also advised Members of the full committee and the Subcommittee on Military Personnel on policy matters related to information technology, cybersecurity, and military justice.

More recently, Jamie served as the committee's Deputy General Counsel from 2019 to 2021, where she played a critical role in the development and passage of two National Defense Authorization Acts (NDAA). Through her work with Members, outside committees, the

Office of Legislative Counsel, and the Office of the Parliamentarian, Jamie played a central role in advising Members and staff of the committee on legal and procedural matters related to the bill. I can say with certainty that the committee would not have been able to get the 59th and 60th consecutive NDAs done without the tireless work and support of Jamie Jackson.

Madam Speaker, on behalf of the House Armed Services Committee, I extend our deepest appreciation to Jamie for her dedicated service to the committee, the Congress, and the military and civilian personnel of the Armed Forces. We wish her well as she continues her public service at the White House.

ENERGIZING AMERICAN
SHIPBUILDING ACT OF 2021

HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2021

Mr. GARAMENDI. Madam Speaker, today I reintroduce the “Energizing American Ship-

building Act”, which I have sponsored since 2016 as part of my “Make it in America” agenda. I thank my bipartisan original cosponsors for their support, as well as U.S. Senators ROGER F. WICKER (R-MS) and ROBERT P. CASEY, Jr. (D-PA) for sponsoring the companion bill.

Our bipartisan legislation seeks to recapitalize America's strategic domestic shipbuilding and maritime industries by requiring that increasing percentages of liquefied natural gas (LNG) and crude oil exports be transported on U.S.-built, flagged, and crewed vessels. In total, our bill would require that 15 percent of total seaborne LNG exports be exported on vessels built in the United States by 2043 and 10 percent of total seaborne crude oil exports by 2035.

In total, the “Energizing American Shipbuilding Act” is projected to result in the construction of more than 40 American ships: approximately 28 LNG carriers by 2043 and 12 oil tankers by 2035. This work will support thousands of new well-paying jobs in American shipyards, as well as the domestic vessel component manufacturing and maritime industries.

Unless Congress acts, all U.S. seaborne LNG and crude oil exports will be on foreign-flagged vessels, operated by foreign crews. American shipyards and mariners are ready for the job, and our bill ensures they are no longer expected to compete against heavily subsidized foreign shipyards in Korea, China, and elsewhere.

There is strong precedent for this policy. In 1995, Congress enacted the Alaska Power Administration Asset Sale and Termination Act (Public Law 104-58). This federal law allowed the export of crude oil from Alaska's North Slope but required that those exports be transported on U.S.-flagged vessels to preserve the tanker fleet essential to our national defense. It was good policy then, and it is good policy now.

The “Energizing American Shipbuilding Act” would implement a similar requirement that fixed percentages of seaborne U.S. LNG and crude oil exports be on U.S.-built, flagged, and crewed vessels. These same vessels, once built under our bill, would be available to meet the U.S. military's sealift and supply needs around the globe.

Like many members of Congress, I am deeply troubled that our military, namely the Defense Logistics Agency, relies on foreign-owned oil tankers, including state-owned enterprises closely linked to the Chinese government. Our bipartisan bill also counters other export countries' similar requirements, including the Russian-flagged vessel requirement for arctic oil and natural gas exports announced by the Kremlin in December 2018.

The United States projected to become a net crude oil exporter and the top LNG exporting nation in the coming years. Exports of these two strategic national assets—LNG and crude oil—should be on American vessels, which is exactly what our bill would require.

Madam Speaker, I urge all members of the House to join us in cosponsoring the “Energizing American Shipbuilding Act.” Lastly, I want to thank my former Chief of Staff, Ms. Emily Burns, for her instrumental role in developing this legislation during the 114th and 115th Congresses while on my staff.

HONORING THE LIFE OF BOB EGOLF

HON. JIM BANKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2021

Mr. BANKS. Madam Speaker, I rise today to honor the life and legacy of Mr. Bob Egolf of Churubusco, Indiana.

For 65 years, Egolf worked in the grocery business. He started his career at John Shelton's IGA, located on North Main Street in Churubusco in 1956 when he was 14 years old. Seven years later, he purchased the grocery from Shelton in 1967, and in 1982 built a new store south of Churubusco on US 33.

Egolf's IGA is known throughout the area for its freshly cut meats and daily baked bakery items. Egolf opened the store early and closed late, operating from 7 a.m. to 10 p.m. seven days a week. He made it a point to talk with his customers and would take special orders of items that people wanted.

Egolf was one of the longest continuous business owners in Churubusco's history. In addition to running his business, he frequently gave his time and money to local causes. But for Egolf's partnership with the Churubusco News, the newspaper would not exist today. He also contributed to the community through various organizations, such as with the Churubusco Area Jaycees, Churubusco Chamber of Commerce and as a longtime Smith Township trustee.

The story of Mr. Egolf is one that is uniquely American: defined by hard work, sacrifice, and service to others. Though Bob is no longer with us, his spirit of good will and generosity to those in Churubusco and beyond endures.

RESOLUTION IN SUPPORT OF THE GLOBAL PARTNERSHIP FOR EDUCATION

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2021

Ms. MENG. Madam Speaker, I rise today to express my support for the Global Partnership for Education, the largest global fund solely dedicated to transforming education in lower-income countries.

Access to quality education reduces poverty, advances economic prosperity, improves peace and security, and strengthens public health. As we now know too well, COVID-19 has compounded the barriers that keep kids from being educated both here at home and around the world.

International basic education programs, including GPE, increase equitable access to education, providing children with foundational reading, math, social, and emotional skills.

Access to education is severely impacted by emergencies. 1 in 3 children and young people are out of school in countries affected by conflict or disaster, and half of school-age refugee children are out of school. And, of course, 1.6 billion children in more than 190 countries were impacted by the closure of educational institutions at the peak of the COVID-19 pandemic. GPE works in the countries with the greatest need, targets the hard-

est to reach children, and can respond quickly to emergencies.

I thank my colleagues, Representatives BRIAN FITZPATRICK and MIKE QUIGLEY, who have joined me to introduce this important resolution. I urge all of my colleagues to cosponsor this resolution, which affirms the leadership and commitment of the U.S. to improving access to quality, inclusive public education; calls for multi-year pledges from the U.S. to allow GPE to maximize its impact in supporting governments to provide this education; and calls on the State Department and USAID to promote children and youth attending schools around the world.

Madam Speaker, we know the value and impact quality education can make on one's dignity, wellbeing, and livelihood. This resolution affirms that every child deserves to reach their fullest potential.

IN RECOGNITION OF JUDY JUDA

HON. JOHN JOYCE

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2021

Mr. JOYCE of Pennsylvania. Madam Speaker, I rise to congratulate Judy Juda of Duncansville, Pennsylvania on receiving the Blair County Chamber of Commerce's Athena Award, which recognizes individuals who have high professional ambitions, perform well in their fields, and devote time to meaningfully improve the Blair County community.

While serving as the Program Director for the Blair County Chamber of Commerce, Judy was instrumental in forming several programs designed to benefit women as they seek, obtain, and hold leadership positions in their community. She has been recognized for her work on We-LEAD, Leadership Blair County Adult, Leadership Blair County Youth, and other programs offered through the Chamber.

On behalf of Pennsylvania's 13th Congressional District, I congratulate Judy on this accomplishment and thank her for her service to the Blair County community.

HONORING THE LIFE OF ROYANNE ORTIZ

HON. PAUL A. GOSAR

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2021

Mr. GOSAR. Madam Speaker, I rise today to honor the life of a great Republican leader and public servant, Royanne Ortiz. As a resident of Bullhead City for 10 years, Royanne graciously and selflessly used her leadership skills to benefit Arizonans. Her bold leadership was reflected in her role as District Director for Mohave County Republican Central Committee since 2017 and through the many successful Lincoln Day Dinners she oversaw in District 2.

Royanne was also well known for her fearless approach towards education policy issues. Her tenacity and passion for education reform even led her to running for the 2020 Mohave Community College Board. Her commitment to civic duty and her community was regularly reflected through her participation in

meetings hosted by the Bullhead City Council, Colorado River Republican Women Club, and Colorado River Union High School District. I believe Royanne Ortiz is a great example of a Republican woman and her impact and involvement will not be forgotten by her community.

Madam Speaker, I express my deepest condolences to the family of Royanne Ortiz on her passing, and I encourage my colleagues to join me in celebrating her life and legacy as a valuable civic servant to the people of Arizona.
